Find the Missing Side Practice

Give the trigonometric ratio which relates 100 and x to $\angle A$. Write an equation to represent the relationship. You do not have to solve for A. Just set up the equation.

1.

2.

3.

Solve for x. Show your equation and circle your answer.

4.

5.

6.

7.

8.

9.

10.

11.
